COOKIE POLICY

Interpretation

In this policy, 'the Company' means the TWG company that employs you (or, for policies about how we do business, the TWG company concerned): Roofworx (UK) Limited (Co. No. 08946095), Woodworx (Carpentry UK) Ltd (Co. No. 11828681) or Fire-worx (Fire Safety) UK Ltd (Co. No. 14615772). 'TWG' means those companies together, trading as TWG - The Worx Group.

About this Policy

This policy explains how the TWG companies use cookies and similar technologies on our website theworxgroup.uk, and how you can control them. It should be read with our Website Privacy Notice.

What Are Cookies?

Cookies are small text files that a website places on your device when you visit it. Similar technologies include pixels, tags and local storage. They help the website work, remember your choices and, if you agree, show us how the site is used.

Some cookies are set by us (first-party cookies). Others are set by other organisations whose services we use, such as analytics or video providers (third-party cookies). Session cookies are deleted when you close your browser; persistent cookies stay until they expire or you delete them.

Types of Cookies We Use

Strictly necessary: needed for the website to work and to keep it secure, for example remembering your cookie choices. These do not need your consent.

Analytics: help us understand how visitors use the website so we can improve it. Under the Privacy and Electronic Communications Regulations 2003 (as amended by the Data (Use and Access) Act 2025), some low-risk analytics used only to improve our own website may be set without consent if we tell you about them and give you a simple way to object. We will only rely on this exception where it applies; otherwise we will ask for consent.

Functional: remember your preferences, such as embedded maps or videos. These are only used with your consent.

Marketing: track your browsing across websites to show you relevant adverts. These are only used with your consent.

Cookies on Our Website

We do not currently set cookies; our site loads fonts from Google Fonts, which does not set cookies. When the fonts load, Google receives your IP address and basic browser information so that it can deliver them (see our Website Privacy Notice).

Future Changes

If we introduce any cookies other than strictly necessary ones in future, we will update this policy first and ask for your consent through a cookie banner before setting them. Rejecting will be as easy as accepting, and you will be able to change your choices at any time.

How to Manage Cookies in Your Browser

You can also block or delete cookies through your browser settings. Most browsers explain how in their help pages, and www.ico.org.uk has guidance on cookies. If you block strictly necessary cookies, parts of the website may not work.

Contact Us

If you have questions about our use of cookies, contact us at enquiries@theworxgroup.co.uk or write to the Office Manager at Unit 1, Office 1 Tower Lane Business Park, Tower Lane, Warmley, Bristol BS30 8XT. You also have the right to complain to the Information Commissioner's Office (www.ico.org.uk, 0303 123 1113).

Document Control

Policy owner: a Director. Approved by: the Directors of each TWG company. This policy is reviewed at least annually and whenever the law changes (see the review date in the footer).
