EQUAL OPPORTUNITIES AND DIVERSITY

Interpretation

In this policy, 'the Company' means the TWG company that employs you (or, for policies about how we do business, the TWG company concerned): Roofworx (UK) Limited (Co. No. 08946095), Woodworx (Carpentry UK) Ltd (Co. No. 11828681) or Fire-worx (Fire Safety) UK Ltd (Co. No. 14615772). 'TWG' means those companies together, trading as TWG - The Worx Group.

This policy does not form part of any employee's contract of employment and may be amended at any time.

Aim

TWG - The Worx Group (Roofworx, Woodworx and Fire-worx) is committed to ensuring that all employees are treated fairly and are valued irrespective of any of the protected characteristics under the Equality Act 2010 (listed below), and irrespective of their employment status (for example part-time or fixed-term) or trade union membership.

This means that no-one is to receive less favourable treatment on any of the above grounds or is to be disadvantaged by requirements or conditions which cannot be shown objectively to be justifiable. If an employee becomes disabled during their employment, we will seek to maintain their employment if possible.

Every employee has a personal responsibility to:

- treat people fairly and without prejudice
- value and respect colleagues, clients and suppliers
- ensure that no-one is harassed, victimised or bullied in the workplace
- promote a work environment where everyone feels confident about reporting incidents that are unfair or personally offensive.

Scope

This Policy applies whenever the employee is representing TWG. This includes:

- Place of work
- Any other premises where the employee represents TWG
- Any work-related event (e.g. conferences, training courses, work-related social events)

It is important that all employees read and adhere to the provisions contained within the Equal Opportunities and Diversity Policy. Any behaviour that is inconsistent with the expectations as detailed in this policy will be investigated and may lead to disciplinary action, up to and including dismissal.

The purpose of this policy is to oppose all forms of unlawful discrimination. This includes pay and benefits, terms and conditions of employment, dealing with grievances and discipline, dismissal, redundancy, parental leave, recruitment and selection, promotion, training or other development opportunities.

Forms of Discrimination

The Equality Act 2010 makes the following unlawful, and the Company does not tolerate any of them:

TWG - The Worx Group: Roofworx (UK) Limited, Co. No. 08946095 · Woodworx (Carpentry UK) Ltd, Co. No. 11828681 · Fire-worx (Fire Safety) UK Ltd, Co. No. 14615772
Registered office: Unit 1, Office 1 Tower Lane Business Park, Tower Lane, Warmley, Bristol BS30 8XT

- Direct discrimination - where a person is treated less favourably than another person because they have or are thought to have a protected characteristic, or they associate with someone who has a protected characteristic.
- Indirect discrimination - where an apparently neutral provision, criterion or practice that applies to everyone particularly disadvantages people who share a protected characteristic.
- Victimisation - in a legal context, 'victimisation' has a much more restricted meaning than in real life. It occurs when an employee has complained about harassment or discrimination (or done another "protected act" under the Equality Act 2010), or supported a colleague in their complaint, and is then treated less favourably as a result.
- Harassment - when unwanted conduct related to a relevant protected characteristic takes place with the purpose or effect of violating the dignity of a person or creating an intimidating, hostile, degrading, or offensive environment. This may be in the form of physical or verbal action.

The nine 'protected characteristics' under the Equality Act 2010 are:

- age;
- race (which includes colour and ethnic/national origin);
- disability;
- religion or belief;
- sex;
- gender reassignment;
- pregnancy and maternity;
- sexual orientation; and
- marriage and civil partnership.

Bullying and Harassment

The Company takes a zero-tolerance approach to any form of bullying and harassment towards its employees and will take any allegations very seriously. Employees are encouraged to resolve matters informally wherever possible, but they may also raise matters formally using the Grievance Policy. Sexual harassment can be reported through any of the routes in the Sexual Harassment Policy. The Company will also not permit its employees to be harassed by third parties such as clients and customers (Equality Act 2010, as amended by the Employment Rights Act 2025). All allegations regarding bullying or harassment will be investigated in accordance with TWG's Grievance Procedure and will be dealt with promptly, fairly and confidentially. Where evidence of bullying or harassment is found appropriate action will be taken against those involved which may include disciplinary action, up to and including dismissal.

Employees are responsible for their own behaviour while at work and should ensure that they are respectful towards colleagues, customers and visitors within the workplace or at a work-related event. Everyone working within TWG is expected to be respectful and considerate of others' individual differences.

Company Responsibilities

The Company commits to encourage equality and diversity and create a working environment free of bullying, harassment, victimisation and unlawful discrimination and where employees are respected and valued.

Recruitment, Selection, and Advertising

To give all applicants a fair and equal chance when going through the recruitment process, the process will be conducted in a way which results in the most suitable candidate for the job being selected, in terms of relevant experience, abilities, and qualifications. TWG is committed to ensure that its Equal Opportunities Policy statement is applied in all stages of recruitment and selection. Advertisements will encourage applications from all candidates that are qualified and experienced and when job vacancies are posted reasonable practice will be applied in respect of:

- In the event of internal promotion, the vacancy will be published to all those eligible in a way which will not restrict applications from anyone of a particular gender, sexual orientation, age, religion, racial group, or disability.
- Avoid requiring any requirements as to marriage and civil partnership.
- Avoid requiring any unnecessary requirements which would disadvantage someone due to their gender, sexual orientation, age, religion, racial group, or disability.
- Ensure advertisements are not published through a means which would exclude or considerably reduce the number of applicants of a particular gender, sexual orientation, age, religion, racial group, or disability.

Regarding disabled job applicants, TWG has a duty to make reasonable adjustments to work provisions, criteria and practices to ensure the employee is not put at a substantial disadvantage compared to those who are not disabled.

When a job contains certain aspects that could affect performance of the job due to personal circumstances (for example, unsociable hours or extensive travel), this is to be discussed objectively, without detailed questions based on assumptions about race, colour, ethnic origin, nationality, national origin, religion or belief, political opinion, sex, sexual orientation, gender reassignment, age, marital or civil partnership status, disability, children and/or domestic obligations.

Terms of Employment, Benefits, Facilities, and Services

All elements of employment, benefits, facilities and services will be reviewed periodically within suitable time frames to ensure that no unlawful discrimination is taking place on the grounds of race, colour, ethnic origin, nationality, national origin, religion or belief, political opinion, sex, sexual orientation, gender reassignment, age, marital or civil partnership status or disability.

Equal Pay

TWG is committed to ensuring that there is equal pay in employment. Employees doing equal work (like work, work rated as equivalent or work of equal value) will receive equal pay, regardless of sex, as required by the Equality Act 2010. Pay systems will be transparent, free from bias and based on objective criteria to achieve this.

Monitoring Equal Opportunities and Dignity at Work

If at any point it is considered necessary, regular monitoring of selection decisions, personnel, and pay practices and procedures will take place and if change is required then TWG will implement it.
